

RENTAL CONDITIONS

1. The lessor delivers the bicycle to the renter in good condition. If the renter believes that the bicycle does'nt have a good condition, then the renter must immediately inform the lessor upon delivery. Given the nature and character of the present lease agreement, it is reasonable that the tenant is not granted a longer period for complaints.
2. The renter is liable for damage to the rented items and will reimburse both the repair costs and the costs of necessary replacement of damaged parts to the lessor.
3. The renter shall pay the lessor the costs referred to in article 2 in cash at the latest on the agreed return date of the bicycle.
4. Upon submission after the agreed return date, the tenant will pay the full day rent to the lessor for each day that the rented property is returned later than agreed, to be calculated from the time of closing time on the return date.
5. In the event of theft, the renter is liable for the current value of the bicycle.
6. The renter will, as a good manager, take care of the bicycle rented out to him. The renter will always lock the bicycle properly and will not leave it unattended and / or unattended.
7. The renter is liable for the damage the renter inflicts on third parties, unless the renter can demonstrate that the damage was caused by a defect in the rented bicycle.
8. All rental items must be returned before 7 p.m.
9. It is not allowed to go on the beach with rented bikes.
10. The bicycle may only carry one person, children on the back or front of the bicycle in a child seat.
11. The full rent remains with every early return.
